Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of the Maine State College: Agricultural Experiment Station Orono, Maine, 1892 As before stated, many of these results were put into the desired form by the stations making the experiments, but considerably more than half of them were worked up in this office from the original data. Moreover, a large part of the exhibit itself has been prepared here. All of this required my personal attention. I make the above statements as an explanation why that line of experimental work in which I am immediately interested has been to some extent neglected. Inspection of Fertilizers. As in previous years, the time of the station force has in part been devoted to the inspection of fertilizers. There is a fair prospect that this will not again be done at the expense of the funds supplied by the United States Government. It now appears probable that the Legislature soon to meet will be asked to enact a law which will provide for the expense of this inspection either by direct appropriation from the State, or by requiring a license fee from fertilizer manufacturers doing business in the State. The movement in this direction has the approval of members of the Board of Agriculture and of others who understand the exigencies of the case. Work In Plant Nutrition. Through you I desire to urge upon the attention of the Board of Trustees a proposed enlargement of our work in plant nutrition. Since the establishment of the Experiment Station under the provisions of the Hatch Act. the experiments and investigations in plant feeding have been under the immediate charge of Prof. Balentine. He has attempted to reach...
