## A NATIONAL SECURITY STRATEGY FOR A GLOBAL AGE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 88 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. We are blessed to be citizens of a country enjoying record prosperity, with no deep divisions at home, no overriding external threats abroad, and history's most powerful military ready to defend our interests around the world. Americans of earlier eras may have hoped one day to live in a nation that could claim just one of these blessings. Probably few expected to experience them all; fewer still all at once. Our success is cause for pride in what we've done, and gratitude for what we have inherited. The most important matter is what we now make of this moment. Some may be tempted to believe that open markets and societies will inevitably spread in an era of expanding global trade and communications, or assume that our wealth and power alone will protect us from the troubles of the outside world. That approach falls for the old myth of an outside world, and ignores the defining features of our age: the rise of interdependence. More than ever, prosperity and security in America depend on prosperity and security around the globe. In this age, America can advance its interests and ideals only by leading efforts to meet common challenges. We must deploy America's financial, diplomatic and military resources to stand up for peace and security, promote global prosperity, and advance democracy and human rights around the world. This demands strengthening our alliances with Europe and Asia, and adapting them to meet emerging challenges. Our alliances in Europe and Asia are stronger because they are organized to advance a permanent set of shared interests, rather than to defeat a single threat. We must continue working with our allies towards a peaceful,...
