Divorce? May a Christian remarry during the lifetime of a

divorced partner? With the increasing number of divorces and

second marriages, such questions now touch every family and

every church. Cornes addresses these and other questions in a

comprehensive and balanced manner. Cornes begins his book

with a theology of marriage and singleness, examining all the

significant Old and New Testament passages. He concentrates

especially on the teaching of Jesus and the interpretation of that

teaching by Paul and the early church. The second part of the

book discusses the implications of the biblical teaching of

pastoral ministry in the local church, dealing with a host of real

life questions in a practical way.
