THE PIANO

Lee Low Books Inc, United States, 2005. Paperback. Book Condition: New. Susan Keeter (illustrator). 254 x 211 mm. Language: English . Brand New Book. Tia loves music. She walks the summer streets searching for new sounds and different kinds of music that will transport her from the hot, dry town where she lives to imaginary places filled with castles, mountains, and deep snow. One day, Tia wanders into the white section of town. Soon she is transfixed by a wonderful melody that drifts towards her from one of the houses. Without thinking, Tia accepts a maid's job from Miss Hartwell, the woman who lives there, just so she can hear more of the music. The Piano is an uplifting story of caring, friendship, and the connections that can develop between people, no matter how different their ages and backgrounds.
