This book gave the students in these two areas to provide help. First. its focus on the accumulation of material. pay attention to activate students' imagination and association. the students will generate the bone stuck in my throat to speak out. the expression of desire: a prerequisite for this is a written composition. Second. its focus on the expansion of the ideas to guide students to think various angles. This mindset training not only writing. but also important to the development of the student's thinking. Third. this book on the guidance of the writing techniques unique. it is not empty talk about writing. but the writing method (selection. tailoring. structure. language. etc.) penetrate into the Composition Correction. Should be used to talk about writing. students will be easier to understand the relationship between writing and expression content. thus consciously use some kind of wording to express the appropriate content to form a writing skills. This is a very unique writing guide books. I believe this book will surely be writing teaching in primary and secondary schools to play a catalytic role. Executive Summary writing textbooks (6) (Vol.1) classification composition teaching law unit. include PEP syllabus of each version of the essay. separate the wheat from the...
