Excerpt: . and work of the school demand her personal efforts. For two weeks at the opening of each quarter, the instruction is exclusively in her hands. She has immediate charge of all the work of the student teacher in directing the making of the subject and lesson plans, the writing of reports based on observations in the schoolroom, and the execution of plans. She meets her student teachers each day at three o'clock for the purpose of reviewing the work of the day, examining the lesson plans, instructing in method, and hearing and discussing reports of observation in child study. HOURS FOR TEACHING. The hours in the training school are from 9 to 11 for the kindergarten, first and second grades; from 9 to 11:30 for the other grades. In the afternoon all grades, except the kindergarten, are in session from 11:30 to 3:20....
