Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

PROXIMITY

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Love sometimes hides in plain sight. Savannah is one of the boys-fun loving, adventurous, a general contractor, and dive master extraordinaire. There isn't much she takes seriously about herself, or at least that's the impression she likes to give off. Women often misjudge her based on her looks so she's gravitated toward a group of men who accept her as is -her Scuba diving club. Bill has known Savannah's wild side for years and has been comfortable playing the role of best friend. As part of the Dallas Divers, he's shared many adventures with the group from diving the Blue Hole in Belize to exploring the Great Barrier Reef in Australia. When the team heads out to Costa Rica for a series of cave dives, he knows something is off but can't justify his nerves. Catastrophe happens shortly after their immersion in the cave. With the entrance blocked from an earthquake and separated from the rest of their team, Savannah and Bill are forced to find another way out while battling aftershocks, rising tides, and an undeniable attraction that they've ignored for too long. The question becomes, what's more dangerous.the earthquake or love? **The Wanderlust Series consists of stand-alone adventure romance novels. Occasionally, characters from previous novels may make a cameo, but each story truly does stand on its own merits.
