The CPAs failed plans to privatize the food ration system and delayed Inadequate Planning, negotiations with WFP on food procurement and distribution resulted in Coordination, and Security diminished stocks of food commodities and localized shortages in early Have Resulted in Tenuous 2004. The CPA administrator discussed eliminating Iraqs food distribution Food Supplies system and providing recipients with cash payments based on plans submitted to the CPA in summer 2003 that asserted that the system was expensive and depressed the agricultural sector. As a result, the Ministry of Trade began drawing down existing inventories of food. In December 2003, as the security environment worsened, the administrator decided not to reform the ration system.
