THE PASSIONATE MOM: DARE TO PARENT IN TODAY'S WORLD

Thomas Nelson Publishers, United States, 2013. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. Motherhood is full of uncertainty. What do my children really need? Why are they doing that? Is this normal? What can I do to help them? How can I know for certain that I am doing this right? The logistics are easy. Anybody can do laundry and carpool. But what makes a mother the best mom she can be? It's not better scheduling. Or more activities. Or less. It is passion—the passion to teach, protect, study, and prepare her children for the future. Great, but how? Susan Merrill, the mother of five incredibly different children, has asked that question countless times. And she has read countless answers specific to a certain child's temperament, age, or situation. But nothing she read offered an overall approach to parenting that would enable her to say with confidence, I am doing this right. She never guessed she would find a foundational plan—a reliable, universal parenting approach in the Old Testament book of Nehemiah. In *The Passionate Mom*, Susan takes you on a journey through Nehemiah and into the heart of parenting. Her stories and confessions in every chapter reveal what she has learned: no mom can control her child's future, but every mom can parent well. There is a plan—a roadmap for how a passionate mom can parent almost any child, confidently. .This book reaches mothers like me at both the heart level and the head level, showing us how to guide our children passionately and practically. --Shaunti Feldhahn, social researcher, national speaker and best-selling author of *For Women Only* Being a mother is the greatest joy of my life. My friend Susan Merrill regularly inspires me in my role as...
