Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

HARPER PERENNIAL, United States, 2015. Paperback. Book Condition: New. Reprint. 203 x 135 mm. Language: English . Brand New Book. The acclaimed author of Everything Here Is the Best Thing Ever and The Gospel of Anarchy makes his hardcover debut with a piercing collection of short fiction that illuminates our struggle to find love, comfort, and identity. In a new suite of powerful and incisive stories, Justin Taylor captures the lives of men and women unmoored from their pasts and uncertain of their futures. A man writes his girlfriend a Dear John letter, gets in his car, and just drives. A widowed insomniac is roused from malaise when an alligator appears in her backyard. A group of college friends try to stay close after graduation, but are drawn away from and back toward each other by the choices they make. A boy's friendship with a pair of identical twins undergoes a strange and tragic evolution over the course of adolescence. A promising academic and her fiancée attempt to finish their dissertations, but struggle with writer's block, a nasty secret, and their own expert knowledge of Freud. From an East Village rooftop to a cabin in Tennessee, from the Florida suburbs to Hong Kong, Taylor covers a vast emotional and geographic landscape while ushering us into an abiding intimacy with his characters. Flings is a commanding work of fiction that captures the contemporary search for identity, connection, and a place to call home.
