He tentatively agrees, and wakes up in a new body, transferred to a new school, and with his first assignment: just stay close to his new classmate Amanda. That s all he has to do, just stay close and let things happen naturally. However, as he fends off bullies who make his new life as difficult as he made other kids before, deals with a bunch of goth kids who fawn all over him when he drops a pamphlet entitled So You re Dead, Now What? near them accidentally, and faces the unintended consequences of a budding romance with his assignment, he discovers that he might just be along the wrong career path.
