Scott Peck, the twenty-fifth anniversary edition of the classic bestseller *The Road Less Traveled*, celebrated by *The Washington Post* as not just a book but a spontaneous act of generosity. Perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than *The Road Less Traveled*. With sales of more than seven million copies in the United States and Canada, and translations into more than twenty-three languages, it has made publishing history, with more than ten years on the *New York Times* bestseller list. Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us learn how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become ones own true self. Recognizing that, as in the famous opening line of his book, *Life is difficult and that the journey to spiritual growth is a long one*, Dr. Peck never bullies his readers, but rather guides them gently through the hard and often painful process of change toward a higher level of self-understanding.
