Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wished there were a single source that covered multiple correspondences without all the extra information? Me too! I had compiled a lot of information into an outline like document, but that was a LOT of work! From the first few months to now, I've been wanting a single source I could grab when I was looking for an item to use in a spell, ritual, or other magical working. I got a wild idea and took everything I have about correspondences and put it all together. What I came up with is Correspondences for the Pagan Practitioner. What does Correspondences for the Pagan Practitioner cover? *Colors *Candle colors *Days of the week *Elements *Essential Oils *Crystals and Stones *Herbal and Botanical *Flowers *Food *Moons The best part of all of this is that there is almost no extra content! You will find pages of lists and tables to help you as you plan your next working!.
