Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was meant to be just a simple bet, a bit of fun. But it ended up being so much more. Trent Pace is a Billionaire Playboy who is very good with women. However, his friends suggest he is just using his wealth to entice women and he could not do the same if he had no money. Trent feels he could easily get any woman to fall in love with him without splashing any cash. He is so confident that he makes a wager with his two best friends, Zack and Mason. The terms are simple. NO flashy dates, NO expensive gifts and NO rich promises. She must like him for him and not for his money. Something that Trent finds is a bit harder than he thinks. However, when Trent Pace met the hard-working waitress Alice he had no idea that by winning a bet he might just be winning a bride too.
