Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Newspaper Press as a Power Both in the Expression and Formation of Public Opinion: The Chancellor s Essay 1898 Whenever the history of the origin and growth of public opinion shall be written, the history of the newspaper will be found to constitute its most important chapter. The difficulty of discovering the writer of that chapter seems likely to delay the original undertaking indefinitely. At present every fresh historian of English Journalism laments the incompetence of his predecessors, while the public has a fair case against them all. Vague declamation about its present power and predestined omnipotence is a nauseous commonplace of modern literature. But a judicial and searching enquiry into its real position and prospects has never been instituted. The world is already sufficiently informed upon the gossip of Grub Street. What is now required is a writer courageous enough to take something for granted, one who will be master of his material down to the minutest detail, but who will nevertheless presuppose a public in possession of at least the elementary...
