Sigfam Publishing, LLC, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Deep Things of God is written for genuine people living in the real world. The author, a trained scientist, analyzes biblical events in practical ways that draw connections between ancient concepts and modern-day events and experiences. In so doing, he masterfully shows us how the Bible offers inspiration and guidance in confronting life s many trials, aids us in reaching our own understanding of theological questions, and leads us toward achieving a sense of peace. Ordinary people think about, worry about, and pray about deep things every day. Sometimes it seems that God is hard of hearing, slow to answer, or even indifferent to our prayerful concerns. The Deep Things of God calls us to recognize the faithfulness of God, even in the face of the most challenging and tragic events. In a world that oft-times appears to be spinning out of control, this book helps us to see God s presence in our daily lives.
